

About us:

The Daughters of the Nile Foundation is a 501(c)(3) public charity with the sole mission to promote, support and maintain the philanthropic endeavors that enhance the medical care and treatment of the patients in the Shriners Hospitals for Children.

Shriners Hospitals for Children is a pediatric healthcare system providing world-class, compassionate medical care at no charge to children with orthopaedic and neuromusculoskeletal conditions, burn injuries, spinal cord injuries, and cleft lip and palate.

Estate planning helps you use the assets you have accumulated in your lifetime to provide for yourself and your loved ones. Federal estate tax laws encourage charitable bequests by allowing an estate tax deduction for the full value of the charitable gifts. No limit is placed on the amount that can be left to charity and deducted from your estate as a charitable contribution.

I give, devise and bequeath an undivided 25% of the residue of my estate to the Supreme Temple, Daughters of the Nile Foundation to be added to the Convalescent Relief Account of the Foundation for distribution to the Shriners Hospitals for Children.
