The annual contribution for 2010 from the Daughters of the Nile Foundation to Shriners Hospitals for Children® totaled \$1,411,878.27. This amount is the result of interest income from the Convalescent Endowment Fund and contributions to the Convalescent Relief Account. An additional check for \$15,000 to Shriners Hospitals for Children® - Philadelphia from the Louis F. Meyers trust and \$181,443.90 from the Canadian Trust brings the total contribution from the Daughters of the Nile to Shriners Hos-

pitals for Children® to \$1,608,322.17!

This amount is remarkable, given a sluggish global economy. It demonstrates the deep commitment of Daughters of the Nile across North America for the great work done by Shriners Hospitals for Children®.

The contribution was distributed among all hospitals in the Shriners Hospitals for Children® network, and will allow Daughters of the Nile to place a third gold plaque in the Tampa unit.

This will be the first hospital in the United States with three gold plaques. The celebration will take place in February, when the Supreme Queen makes her official visit to the hospital. In 2009, a third gold plaque was placed on the philanthropic wall of Shriners Hospitals for Children® - Montreal.

## **Planned Giving Is a Legacy of Love**

*“The benefits of funding a planned gift can make this type of charitable giving very attractive.”*

Planned giving is sometimes referred to as gift planning/estate gifts, and may be defined as a method of supporting a 501(c)(3) non-profit public charity, such as the Supreme Temple Daughters of the Nile Foundation, that enables philanthropic individuals or donors to make larger gifts than they could make from their income.

While some planned

gifts provide a life-long income to the donor, others use estate and tax planning techniques to provide for donations. Thus, a planned gift is any major gift, made in a lifetime or at an individual's passing as part of her overall financial and/or estate planning.

Whether a person uses cash, appreciated securities/stock, real es-

tate, partnership interests, personal property, life insurance, a retirement plan, etc., the benefits of funding a planned gift can make this type of charitable giving very attractive.

Last year, over \$174,000 was given to the Foundation through wills and bequests.

Look for more information on planned giving at Supreme Session.

## **John McHenry and McHenry Haszard Law make gift to Foundation**

A generous gift from John and Nadine McHenry and the law partners of McHenry Haszard Law in Lincoln, Nebraska has allowed the Foundation Board of Directors to recognize eight deserving members of Daughters of the Nile for their significant contribution to the Foundation and

our philanthropy. The recipients of the awards will be recognized during the 95th Supreme Session in Tampa, Florida.

“We are happy to recognize these individuals for their contributions to the success of the Foundation,” said McHenry. “Not only

do we have the opportunity to help children, we can help the Foundation say ‘thank you’ to the quiet heroes of your Order.”

Criteria used for selecting the recipients include significant contributions of time, talents and resources to the Foundation.

# Foundation Assets Top \$26 Million

The Daughters of the Nile Foundation assets exceeded \$26 million for the first time since the economic downturn in the fall of 2007. Careful investments, increased contributions and economic improvement have combined to strengthen our ability and commitment to help children. Even though the world has suffered through economic, geopolitical and environmental shocks in recent months, the Convalescent Endowment Fund has remained strong.

At the end of the fiscal year, The value of the Convalescent

Endowment Fund was \$25,613,532.33, an increase of nearly \$5 million since 2008. Combined with contributions to the Convalescent Relief Account of over \$403,000, the value of Foundation assets rose to \$26,016,667.21.

During 2010, contributions to the Convalescent Endowment Fund amounted to \$673,604.78, an increase of nearly \$31,000 over the previous year. The Convalescent Relief Account saw an increase as well, netting

\$403,134.88 compared to contributions of just over \$389,000 in 2009. By combining the CRA funds with the interest income from the Convalescent Endowment Fund, the Foundation distribution of funds to Shriners Hospitals for Children® was \$1,411,878.27, over \$77,400 more than the previous year.

Daughters of the Nile remain generous in their support of Shriners Hospitals for Children®, a true measure of love.
