

***My Gift Program.....  
a Gift from the Heart!***

Have you ever thought of making a pledge to a meaningful program? The *My Gift Program* offers several beautiful and heartwarming gifts in exchange for a monetary pledge to be made by you over a five year period. At the time of your first donation, you will receive a corresponding pin to recognize your pledge commitment. You will be able to wear this pin with pride knowing your pledge is working “*For the Children.*”

Currently the *My Gift Program* offers the following pledge items:

***The Pyramid of Commitment***

This wonderful and unique pyramid honors the patients Daughters of the Nile serve at Shriners Hospitals for Children® and is yours for a one-time contribution of \$250 or a five-year \$50 commitment to the Convalescent Endowment Fund. You will receive the *Children of the Heart Pin* at the time of your first donation.

***Reach for the Stars***

The beautiful rosewood *Reach for the Stars* plaque can be yours for a one-time donation of \$500 or a five-year \$100 pledge commitment. This plaque will be personalized and you will receive the *Star Pin* after your first contribution.

***Serving Children Around the World***

This magnificent crystal globe depicts our unity to serve the patients at Shriners Hospitals for Children® and is available for a one-time donation of \$500 or a five-year \$100 pledge commitment. If you desire, a two-line inscription can be placed on the base of the globe. In recognition, you will receive the *Globe Pin* after your first donation.

**A Pristine Rose**

The crystal rose signifies all that is pure and inspirational in inciting us to enhance the quality of life of those less fortunate. A one-time \$750 commitment to the Convalescent Endowment Fund or a five-year pledge of \$150 will garner this lovely keepsake. Each rose is original and unique unto itself with the process used to create it. You will be rewarded with the lovely *White Rose Pin* after your first donation.
